REMARKS

The specification and abstract have been amended to make editorial changes therein, bearing in mind the criticisms in the Official Action, to place the application in condition for allowance at the time of the next Official Action. The subject matter of the original claims has been added as a separate paragraph on page 2.

Claims 1-9 were pending. These claims have been replaced with new claims 10-17 that are believed to be proper as to form. Reconsideration and withdrawal of the rejection under 5112, second paragraph, are respectfully requested.
